

# ADAM logo stickers

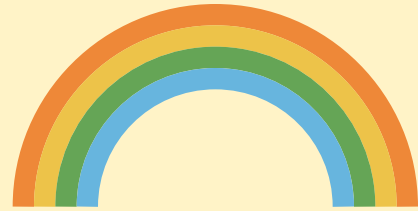

Print on full-sheet sticker paper at 100%. The soft grey line is your cutting guide; the official graphic mark inside it remains untouched.

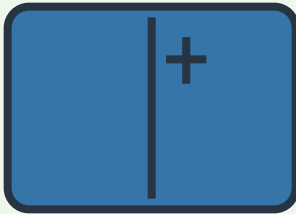

Great for laptops • notebooks • folders • water bottles with waterproof sticker paper

# Bible story sticker sheet

Cut around the dotted outlines. These playful shapes sit beside the official ADAM graphic mark without changing it.

**GOD KEEPS HIS PROMISES**

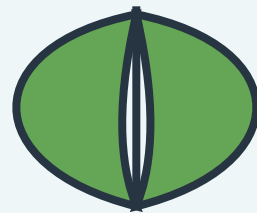

**GOD'S WORD**

**JESUS LOVES ME**

**SHINE HIS LIGHT**

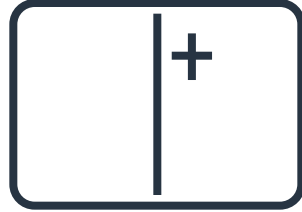

**GROW IN FAITH**

# Colour-your-own faith stickers

Use crayons or pencils first, then cut around the dotted outside lines. Bold outlines make these friendly for younger hands.

**PROMISE KEEPER**

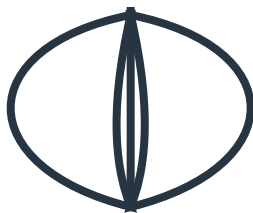

**I LOVE GOD'S WORD**

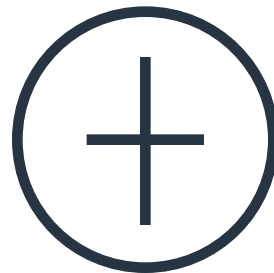

**JESUS LOVES ME**

**SHINE HIS LIGHT**

**GROW IN FAITH**

**CHRIST AT THE CENTRE**

# Name badges & book labels

Use these for Sunday school, home learning, youth groups or the inside cover of a well-loved Bible storybook.
